JHELYN P. MEDINA

jhelynmedinaa@gmail.com | +639 454 569 409 | Himamaylan City, Negros Occidental

PROFESSIONAL SUMMARY

Motivated and dependable with a background in Information Technology, looking to start my career in a growing organization. I am ready to apply what I've learned, take on new responsibilities, and continue learning while contributing to the team.

EDUCATION

Bachelor of Science in Information Technology
Carlos Hilado Memorial State University | 2022-2026

TECHNICAL SKILLS

Skilled in managing schedules, organizing digital files, and maintaining accurate records. Proficient in data entry and document control, with hands-on experience using Microsoft Office and Google Workspace to support daily operations and keep things organized.

RELEVANT EXPERIENCE

Angels Memorial Park | Kabankalan City, Negros Occidental
System Developer | [August 2025 - January 2026]

- Developed a custom Lawn Reservation Management System to replace the client's manual, paper-based processes.
- Integrated Google Maps API to allow users to interactively locate and map available lawn plots.
- Implemented an online payment gateway using the PayMaya API for secure transactions.
- Designed and built both the user and admin interfaces for streamlined booking and record management.

INTERNSHIP EXPERIENCE

Algorithm Computer Services | Kabankalan Branch
Technical Support Intern | February 2026 - June 2026

- Provided technical support and clear resolutions for customer inquiries, service concerns, and basic troubleshooting.
- Installed operating systems and software applications based on client requirements.
- Reformatted computers and performed system optimization to ensure smooth performance.
- Encoded, updated, and organized customer and business records to ensure accuracy and easy access.
- Prepared and maintained administrative documents using Microsoft Word.
- Supported daily administrative and technical tasks as assigned by the team.
